

ATTENDANCE FORM COVID-19 – PHOTOGRAPHER

Why are we asking this?

The National Security Council has decided that motocross riders should note the presence of those present. This is not just any old thing: the COVID-19 pandemic is once again raging, and this is just one of the measures taken to better protect you, your family, friends and the other customers. Your and their health is number one!

We give you permission to be present as a photographer, but you need to fill in the form below.
